Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I have depended on being able
to obtain my compounded prescriptions
for some time now from a specialty
pharmacy & have been very grateful for
them. This is not available from commercial
pharmacies & most other pharmacies so
I do not support restricting the availability
of individually compounded medications.
